

Speak Life Church Newsletter, February 2017

Special Edition Commemorating Pastor Hargrove's 9th Year Pastoral Anniversary

Speak Life Church Corner:

Dear Pastor,

You always bring such well-timed messages that are spoken from the heart.

We appreciate your strong, resilient and confident voice of reason.

If we face times of sorrow there is no better gift to impart than your gift of caring, that's our Pastor's heart.

You give such loving thoughts and encouraging words; your moments of counsel always lead by God's holy word. By phone, in person, a text, rest assured the message is hold on don't give up; it's what you impart and this is the gift of our Pastor's heart.

We beseech thee oh Lord, please bless our Pastor each and every day; bless her in Ministry all along the way; it's not fame and fortune, even a title that drives her...she is a precious gift from you to us, including the love of our Pastor's heart.

You are without a doubt, a true servant of Christ and many times dearer than a friend; driven by a desire to love God 'til the very end; tending we your flock in the Savior's way ...this is the gift of our Pastor's heart.

Continually striving to live as an apostle of Christ you serve our Father and give us good, Godly advice. Always preaching and teaching while sharing God's word ... this is the special gift we treasure in you – it is the tender loving care of our Pastor's heart.

With much love, appreciation and gratitude, your Speak Life Church Family
